Around River Park...

Members,

Just some things to consider..... Clutter...clutter a very bad word. We all have too much stuff, and that include paper bills, records and receipts. **Epayers** (Electronic payments) can help put a dent in piles of paper around the house, for many that is a big plus. **Time...** Time is valuable... The average consumer spends from 2-4 minutes writing a check and preparing a bill to mail, and or drive to a location to make the payment. A year's worth of stamps for 8 monthly bills is around \$50. Paying a bill online usually takes less than a minute. Automated payments can be set up, a big relief to family members that help us monthly or those of us who are perpetually unorganized.

Where's your checkbook? Do you have your money order (s)? Do you have it on you right now? Chances are pretty good these days that you don't. Do you trust your check to be directly deposited into your bank on time? But you won't trust your bank to pay your most important bills on time. Where is the disconnect?

Resident Portal—Have you considered taking advantage of River Park's online payment options, but are fearful... Here are some of the benefits of using River Park's Resident Portal...

You have access to your Membership Account... You can view your ledger. Make one-time or recurring payments. You can make eMoney Order Payments directly to your ledger. You'll be in the know of River Park's Happenings... Members have signed up, and are taking advantage of this benefit, choosing to make their payments online with ease! Have you tried it... Ever heard of **TRY IT, YOU JUST MIGHT LIKE IT?!** If you prefer not to set up an account online, you can still take advantage of making on-line payments by completing an authorization form that can be obtained from the on-site office... WERE HERE TO HELP. We'll get you aaaaaaaaaa set up...

We hope you will be HAPPY with this Membership Benefit and take advantage of it!
