Around River Park...

CONSIDERATE NEIGHBOR TEST...

- I play my stereo/TV at a moderate level so that it doesn't disturb the peaceful enjoyment of my neighbor.
- I park only in my numbered parking spot or a guest spot and remind my guest to do the same.
- The car that we use the least amount is parked in my numbered parking spot.
- I remember to remind my children not to play in the parking lot, instead I have my children play on the grassy open areas on the property, not in the parking lots.
- When I drive onto the River Park property, I turn down the volume on my car stereo.
- I treat others as I would wish to be treated.
- I do my part for neighborhood security by calling security and the police when it is necessary.

If you can answer yes to all of the above, you are the kind of member that your neighbor appreciates. If you didn't get all of the above, we challenge you to work toward being a more considerate neighbor.
