STAY HOME. STAY SAFE. SAVE LIVES.

If we all follow these recommended global guidelines,
we can stop the spread of the Coronavirus

**CLOSED ON
LABOR DAY**

Issue: September—November

Around River Park...

MISS YOU!

Things are changing daily in the world. The River Park office will continue sending out the necessary fliers with our current conditions concerning service requests, office availability, precautions etc., pertaining to COVID-19.

The staff at River Park is working very diligently to maintain the guidelines given and continue to give the members the best quality of service possible.

The office & Maintenance still have some restrictions, therefore, If you need to visit the

office we do ask that you make an appointment in advance. Must maintain social distancing, and face coverings are required.

If you have lost your job, hours or pay due to the COVID-19 quarantine or stay at home order, please contact the office to see if arrangements can be made.

If you, or anyone in your home, or anyone who has been to your home has been exposed or had COVID-19, please inform the office as soon as possible, specifically before we

send a staff member to your home to do any repairs.

We really thank you for your patience, understanding and assistance during these unprecedented times.

Thank you for staying home to help stop the spread of the coronavirus

**New Members
Welcome to River Park
We're So Glad You're Here!**

September Board Meeting

The September 8th Board Meeting will be a closed Virtual Meeting

Members be on the lookout for the official notice of the Annual Meeting, the date will be set at this month's virtual meeting.

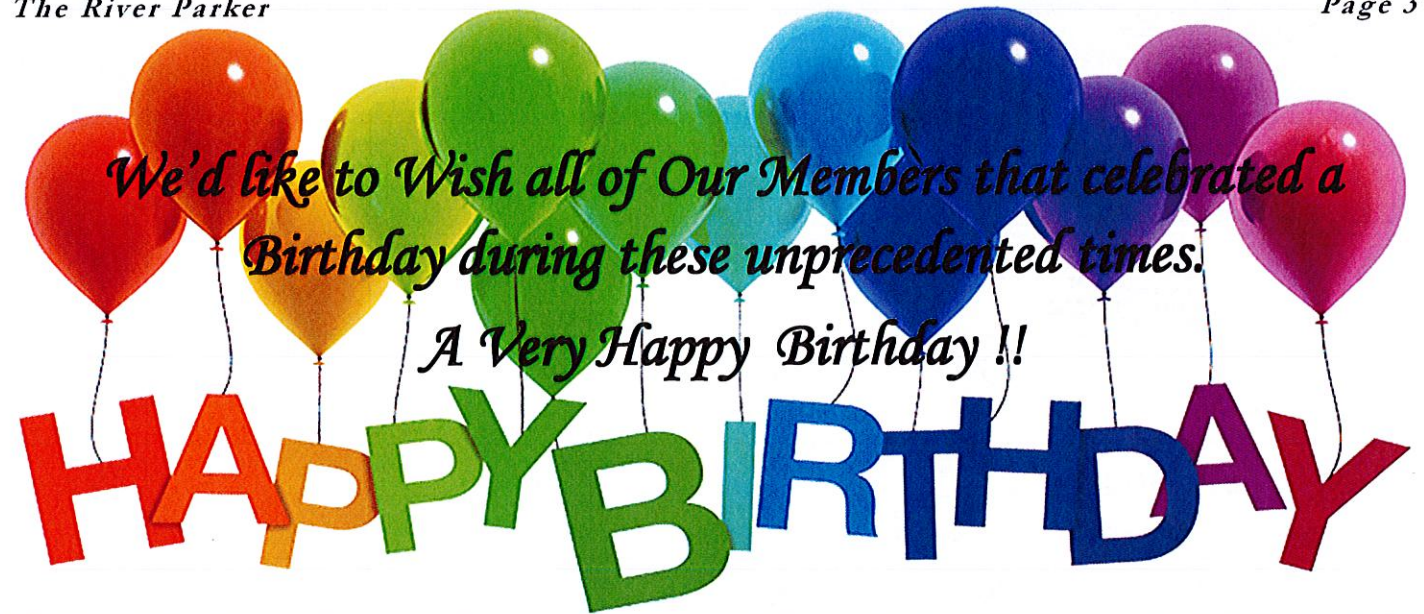

If you have any questions or concerns for the Board of Directors, please put it in writing and turn it into the office.

IMPORTANT UPDATE

Effective Sept 1st, 2020 Northland Security Patrol will be merging with another company. Please make note of the new contact information:

**Northland Security Patrol
816.809.9600**

How will this affect us? They will continue to do the night patrols, however they will be available to receive calls for service 24/7. By merging, they will increase the total of patrol fleet to 20 + patrol cars and 70 officers. By adding the extra cars, response time should improve along with their presence. This is Great News for us!!

May you get all the joys you deserve

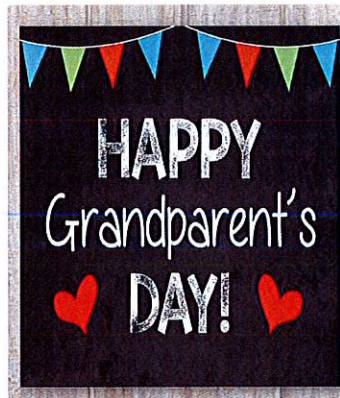

BACK TO SCHOOL...

In one way or another it looks like school will be or has started back this year, whether online, in person or home school.

Be sure to check with your school as to what the protocol will be. We must remind our students to cover their coughs and sneezes, keep 6 feet of space when possible...

And please wear their masks.

**Remember...
You don't have to move to live in a better neighborhood.
Be active in yours!**
