Maintenance Holiday Tidbits

The maintenance staff would love to spend Thanksgiving Day and the day after home with their families. I know that you would also love to spend Thanksgiving Day without any problems dealing with your unit. May we suggest a couple of things… Please don't put wipes and/or paper towels in the toilet. If you are hosting Thanksgiving dinner and you plan on having a large group, have plenty of toilet tissue. Don't leave paper towels or facial tissues in the open. Your guest might be tempted to use those if the toilet tissue roll is empty. Also, watch what you put down the kitchen sink drain. Avoid putting stringy or heavy foods like potato peelings, rice, pasta, greens, coffee grounds, etc., please bag it and discard it in the trash.

Give thanks
