The last Exercise Class...

October 16th will be the last Exercise class for this year. Exercise class will start back up in April, 2015. The current fee is \$2.00.

Security is Everyone's Business...

We ask the cooperation of the membership in monitoring activities that could create a safety problem for our people and our property. It takes the whole team (members, staff, board, security, police and managing agent) to keep River Park a safe and comfortable place in which to live. Let's work together!!

We recently had car theft on the property. We can't always keep a crime from happening no matter how hard we try. But what we can do is make it harder for the criminal to make us a victim. You can help prevent crime by being alert to strangers on property and questionable behavior. It's okay to be nosy sometimes.

Also, don't forget to shine those Porch Lights, to help ward off the unwanted... Call Security (816) 868-4115, Non-Emergency Police: (816) 234-5530.

Parking Lot Resurfaced...

Section 3 is complete with the resurfacing. If you don't live in that area, you should check it out. Looks much better. Of course when the next section will begin, we don't have that information just yet, but it will be in the River Parker. We'd like to thank the Members for your cooperation in the removal of the vehicles to allow the work to be done.

October is Breast Cancer Awareness Month

The prevalence of PINK in October reminds us that it's Breast Cancer Awareness Month. To help reduce the risk of breast cancer, Mayo.Clinic.com recommends controlling weight, exercising regularly, avoiding environmental pollution and limiting alcohol consumption.
