FALL CLEAN UP

With leaves already falling, fall weather is upon us, winter weather is not too far behind, it is time to start thinking about your flower beds. After the "Big" frost, most of the annual flowers planted will need to be pulled. Please help River Park continue to look neat and clean by taking care of your flower

EXTERIOR HOSE

If you have a garden hose, please disconnect and store the hose properly by 10-31-18. Hoses need to be disconnected to help prevent the water lines from freezing and rupturing. Any damage caused due to hoses not being disconnected will be charged back to the member.
