**A Little Funny...**

Creating an opportunity...

Three men had adjacent businesses in the same building. The businessman who ran the store at one end of the building put up a sign reading, "Year End Clearance." At the far end of the building, the other businessman followed with a sign that said, "Closing-Out Sale." The businessman in the middle knew his business was going to be hurting bad, so he put up a sign that said, "Main Entrance."
