Have you registered your car with the Office, if not, you need to do so. Even if you registered at Certification time, it needs to be registered currently. We have a New Security Company that we have asked to enforce the parking rules and will be towing vehicles that have not moved, not properly tagged or parked in other Members designated parking space. If your having a problem with parking or any other issues you made security involved in, please don't hesitate to call them nightly. The New Company is NKC Bureau of Investigations. A Salute to Veterans Day

November 11 is Veterans Day, a day to honor the heroic man and woman who have served or are serving our country. It's an important day to be sure. Federal government closings for Veterans Day will be on that Monday. It is because of them that we are FREE to be you and me. WE CAN'T THANK THEM ENOUGH!

Maintenance Holiday Tidbits

The maintenance staff would love to spend Thanksgiving Day and the day after home with their families. I know that you would also love to spend Thanksgiving Day without any problems dealing with your unit. May we suggest a couple of things... Please don't put wipes and/or paper towels in the toilet. If you are hosting Thanksgiving dinner and you plan on having a large group, have plenty of toilet

tissue. Don't leave paper towels or facial tissues in the open. Your guest might be tempted to use those if the toilet tissue roll is empty. Also, watch what you put down the kitchen sink drain. Avoid putting stringy or heavy foods like potato peelings, rice, pasta, greens, chitterlings, coffee grounds, please bag it and discard it in the trash.
