SCHOOL'S IN.... Please make sure to look out for the children as they wait for the bus. Children should stay away from the bus until it comes to a complete stop and the driver signals for you to enter the bus. River Park has a lot of children of many age groups leaving at different times for school. Drivers, please slow down and watch out for them. ALWAYS DRIVE CAUTIOUSLY!

A reminder to members. Storm doors and windows are the responsibility of the member. Members please see to it that the storm door is closed securely when leaving home. Members are responsible for any damage created by not closing the door securely.

HAPPY GRANDPARENTS DAY! Happy Grandparents Day September 11th

When the idea of Grandparents Day was first brought to the Senate in 1973, it was turned down. However, Marion continued to work in gaining support. Finally, in August of 1978, President Jimmy Carter signed the resolution making the first Sunday after Labor Day officially Grandparents Day.

The official flower is the forget-me-not as a reminder that we shouldn't forget our grandparents and how important they are to us.
